RESPONSE

Sir:

In response to the Office Action dated 09/10/2002, please consider the following remarks:

REMARKS

In response to the requirement to restrict prosecution to one of the inventions of:

claims 10-32; or  
claims 33-47

The applicant selects the prosecution of claims 33-47 at this time.

Applicant traverses the restriction requirement because according to MPEP 803 "If the search and examination of an invention can be made without serious burden, the examiner must examine it on the merits, even though it includes claims to independent or distinct inventions." In this case
